## **Major Systems Program**

On behalf of the County of Berks, the Redevelopment Authority of the County of Berks (BCRA) is administering the Major Systems Program. The Program is designed to assist low-income families who own and occupy an attached or detached single-family home in need of a repair or replacement of a major system of their house. This assistance is in the form of a one-time deferred payment loan and must be used for an item or items that threatens the health, safety, or welfare of the household. The house must be located in a borough or township of Berks County. The Program may be funded by federal, state, or local sources.

### **Eligible Uses:**

- Replace or Repair Roof
- Replace or Repair Heating System
- Mechanical Repairs and Structural Items
- ADA Fixtures and Ramps

Please see the front desk for an intake form.

All forms can be mailed to the Berks County Redevelopment Authority.
